Subject: Draft Final Gold King Action memo

Gary and Laura – Here is a close to final, so I have called it a Draft Final version of the AM. Since I don't know which table we will use for the estimated costs I have put in both tables and so folks can see how they compare and use that to decide which to use. Since we only know the Region 6 verbal approval number, I left Region 8's and 9's columns blank in the second table.

Gary – After you review and if it looks okay, do you want to send it out to the AM workgroup?

Thanks
